He married (1) ZULA MAE ERWIN May 24, 1924 in Greene Co., MO., daughter of JOHN ERWIN and NANCY GRAVES. He met (2) VESTA MARIE WISDOM 1949.

Notes for FLORUS EMORY PHILLIPS:

Aka Cherry, which was a nickname given to him by his parents, He was of Cherokee descent, plus he would sneak away from his chores to play with the Cherokee children, camped near the Sac River. He loved playing Indian so much, his parents paid 15 cents for a brightly colored paper & cardboard war bonnet (that I have in my possession) when he was 7 yrs. old. His parents would call him their "Little Cherokee", which as time passed, it was shortened to Cherry. Aka Doc, a name given to him while working the Fruit Tramp in California. It began when his son, Charlie had a bit much to drink one night & had not come home, only to arrive just in time to pick fruit. Sheepishly, Charlie knowing Cherry would not approve of his staying out all night, especially when there was a lot of work to be done the next day, came up to Cherry with a big grin, saying "What's up Doc?" Several of the other hands, began joking, saying the same "What's Up Doc?" to Cherry. This little saying saved Charlie from a stern talking & gave Cherry the nickname Doc. Info told to me by Erma Phillips in 1988.

Cherry was a stern, but loving & caring person. Full of fun & he was honest. He was well liked & loved by all & respected for his honesty & kindness. He grew big gardens for many years & would always rise early, pick his vegetables & leave sack-fulls on his neighbors porches. He is dearly missed by all who knew him & loved him. Buried Brighton Cemetery.

Notes for VESTA MARIE WISDOM:

Granny Marie was good as gold to Granddad Cherry & all his children & their children. She was a fantastic cook & earned several gifts from different companies for sending in her own recipes. One was the "Tunnel Of Love" Cake, which we all know as the "Tunnel Of Fudge Cake".

(company changed the name). She earned a radio for this recipe. Another one of her recipes was a biscuit mix from her own design. She would mix up her biscuit mix & carry on the road when her & Granddad worked the fruit tramp. This way, she wasn't carrying several different ingredients to be spilled or to have to carefully measure out at every meal. This recipe earned her \$5.00. We know it as Bisquick. After the company began making "Bisquick", Granny bought a box of it to take on the road, she said after making the biscuits, she noted the mixture needed more salt. She promptly wrote them a letter. She said, immediately they did start adding more salt & sent her a cookbook for her input. She also sent in her Confetti Angel Food cake recipe, which was always a favorite of Granddad's & ours. She made it many times from scratch when we were children. Buried Brighton Cemetery.
