

NORTH CAROLINA FULTZ

(Wanda Gant – Contributor)

(Webmaster's Note: There exists some confusion as to the Fults (Fultz) Family that came to Tennessee. This is being provided to which line actually moved to Tennessee.)

Hans Jacob Volz of Gundershoffen, Woerth, Alsace, married Eva Elizabetha Gass in 1712. Their son Johann Peter Volz (1726-1806) married Eva Elisabetha Jack, (1724-1784), daughter of Kilian and Anna Margaretha Jack, in 1745, and immigrated to America in 1750. Johann Georg Volz, who married Eva Elisabetha's sister Catharina Barbara Jack (1731-?), was probably Johann Peter's brother. Johann Peter and Eva Elisabetha settled initially at Heidelberg Pennsylvania, and came with their family to NORTH CAROLINA in 1767, where they were among the founding members of Friedberg Moravian Church. The surname later becomes Foltz or sometimes Folts. This is not the line of Augusta County, Virginia .

Johannes Foltz that passed through Augusta and returned to PA

German American Names listed variations of Foltz, Folz, Volkmar, Voltz, Volz. Johannes and Anna Catherine (Zollhoferine) Fults continue to appear in Church records in Pennsylvania after our Johannes and Anna Catherine (?) Fults appear in Page/Rockingham County, Virginia records. They could not be the ones in Virginia [professional PA researcher told me this]

Descendants of Boltzer Fults
